

## GameMaker Project – 104 points

### Game

For this assignment, the team should create a game based on the team's design. One member of the team will submit the finished game (executable and source code).

### Grading:

1. 20 points for a running game
2. 20 points for at least two rooms
3. 10 points for multiple levels of play or acquiring new skills
4. 10 points for game challenges (such as monsters or bombs)
5. 4 points for moving objects
6. 4 points for object actions that increase the score
7. 3 points for a background
8. 3 points for sound
9. 30 points for including the following with your Blackboard upload
  - Attach the executable (.exe ) file and the source (.gm81) file (10 pts)
  - List team members (first and last official name) in the message (5 pts)
  - Description of how to play the game (5 pts)
  - Discuss how your game meets requirements 2 through 8 above (10 pts)
  - Title: GMProj class\_day class\_time submitter's\_name (-2 pt)  
{Only one submission per team}

The team will present the project to the class on the last regular class day. **All projects must be presented in class.** Each member will submit a completed evaluation sheet prior to the team's presentation. These evaluations are confidential. [Team Evaluation](#) at the end of this document.

- To create the executable, click **File** then **Create Executable**. Save the file, the file extension will be **.exe**. Make a note of where you save the file. Try running the file by double clicking the name. Using the same Blackboard Assignment, upload the executable (.exe) and the source file (.gm81) to Blackboard.
- **Place the executable on a flash drive and bring to class to present.**

**Do not** create this game using a Mac!

**CSCI 101 Team Peer Evaluation**

**Due: when the project is presented (minus 5 pts if evaluation not submitted)**

**Project Title:** \_\_\_\_\_

Your Name: \_\_\_\_\_ Class Day and Time: \_\_\_\_\_

Name of person submitting assignment through Blackboard \_\_\_\_\_

You are to evaluate every member of your team **including yourself**. This rating is **CONFIDENTIAL**.  
PRINT each member's name below and rate each member's contribution to the project. Choose one:

**0** - did not participate      **1** – minimal participation      **3** – fully participated
