Dear Mr. Zebedis:

This report is a proposal for the implementation of a Security Walkers' Program for Winthrop University.

I conducted a survey of 50 students to compile the needs and interest in the program. The results are thoroughly discussed in the attached report. The students of Winthrop University are thrilled about the idea of restarting this program with the new ideas proposed.

I am sending copies of this report to Mr. Dan Yeargin and Dr. Frank Ardaiolo. After you have read this report, I would like to meet with you to discuss the follow-up and the completion of this project. I look forward to any suggestions or comments you may have. Thank you.

Sincerely,

Yolanda Adams
