General Education

DRAFT: Psychology Degree Checklist rev 10/28/2015 v1.2

Unique Dequiremente	Exempt?	Hours		
<u>Unique Requirements</u> Princip. Learning Academy	ACAD.101 (1)		For first-time freshmen only – transfers expempt	Name
Writing Composition	<u>WRIT.101</u> (3)		Need C- or higher for HMXP	Advisor
Human Exp: Who am I?	HMXP.102(3)		Need C- or higher for CRTW 75 hours	Catalog
Critical Read, Thnk, Writ	<u>CRTW.201</u> (3)		Need C- or higher	Catalog
Foreign Language	(3-4)		Need 102-level profeciency: 101+102; just 102 or	
Foreign Language	(3-4)		something above 102; or pass CLEP test.	Exploration Ideas: ► Study Abroad
Global Perspectives	. (3)		2	► Career Interest Inventory
Historical Perspectives	(3)		see approved lists	 Honors Courses Co-op / Internships
Social Sciences #1	(3)			ONCA (Nat. Awards)
Social Sciences #2	met by PSYC.101	3	, ,	► Undergraduate Research
Humanities/Arts #1	(3)			Don't forget!:
Humanities/Arts #2	(3)		Need two designators (e.g., HIST & MUSA)	► Need 40 hours in courses numbered above 299.
Physical Activity	(3)		see approved list	
Quantitative Skills	. (3-4)			
Nat Science: Life Erth Phy	(3)(1)		Take at least 1 Quantitiative Skills, 1 Natural Science with lab, AND 1 more of either. If two	
Nat. Sci. Life Erth Phy or Quant S.	(3)(1)		sciences, need two different areas.	
and concern the chirming of equality.	(J-4)			
	2			
Non-unique Requirements	Dep.	1	l	
Technology	(3)		You can meet these requirements with other classes. If you do this,	
Oral Communication	(3)		indicate "duplicate" and enter 0 hours	
Constitution	(3)		here so you don't double count the hours.	
Intensive Writing	met by PSYC.302	0		
			Gon Ed Total 41-47	
Devel Malar			← Gen Ed Total 41-47	
Psych Major	101: General (3)		Psyc Foundations: Ideally, complete befor	
Psych Major	198: Discipline (1)		Psyc Foundations: Ideally, complete befor courses. 101 pre-requisite for all other PSV	C classes. Before 301,
	198: Discipline (1) 301: Statistics (4)		Psyc Foundations: Ideally, complete befor	/C classes. Before 301, , pass 301 with at least C-
206: Developmental	198: Discipline (1) 301: Statistics (4) 302/3: Research (4)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSV meet Quantitative requirement. Before 302	/C classes. Before 301, , pass 301 with at least C-
	198: Discipline (1) 301: Statistics (4)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSV meet Quantitative requirement. Before 302	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101
206: Developmental 213: Abnormal	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101
206: Developmental 213: Abnormal 305: Social	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101
206: Developmental 213: Abnormal 305: Social 335: Biological	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSV meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of Core Courses : Take three courses from con	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours).
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3) (3) (3)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours).
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition 498: Senr Seminar	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3)		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSV meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of Core Courses : Take three courses from con	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours). above 299 (core or others).
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition 498: Senr Seminar 400: History & Sys	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3) (3) (3) (3		Psyc Foundations: Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of <u>Core Courses</u> : Take three courses from courses <u>Psyc Electives</u> : Take any 12 PSYC hours a <u>Capstone</u> : Take one Senior year (or 2nd s	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours). above 299 (core or others). em. Junior year).
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition 498: Senr Seminar	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3) (3) (3) (3		Psyc Foundations : Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of Core Courses : Take three courses from con Psyc Electives : Take any 12 PSYC hours a	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours). above 299 (core or others). em. Junior year).
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition 498: Senr Seminar 400: History & Sys 463: Internship	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3) (3) (3) (3		Psyc Foundations: Ideally, complete before courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of the courses from COURSES: Take three courses from courses from courses Core Courses: Take three courses from courses Psyc Electives: Take any 12 PSYC hours and transfers Capstone: Take one Senior year (or 2nd senior year year year year year year year yea	/C classes. Before 301, , pass 301 with at least C- can take 198 and 101 re list (9 hours). above 299 (core or others). em. Junior year). an include only 42 PSYC hours
206: Developmental 213: Abnormal 305: Social 335: Biological 409: Learning 508: Cognition 498: Senr Seminar 400: History & Sys 463: Internship	198: Discipline (1) 301: Statistics (4) 302/3: Research (4) (3) (3) (3) (3) (3) (3) (3) (3) (3) (3		Psyc Foundations: Ideally, complete befor courses. 101 pre-requisite for all other PSY meet Quantitative requirement. Before 302 and CRTW.201. Sophmores and transfers of Core Courses: Take three courses from courses Psyc Electives: Take any 12 PSYC hours a Capstone: Take one Senior year (or 2nd s Major Total: Note: "Grand Total" below ca	/C classes.
